H. B. Amend H. B. No. 47 by striking out all below the enacting clause and inserting in lieu thereof the following:

Section 1. That it shall be unlawful for any person above the age of fourteen years to wilfully pick, pull, pull up, tear up, dig up, cut, break, injure, burn or destroy, any tree, shrub, fern, vine, or plant, growing or being upon the land of another, or upon any land reserved, set aside, or maintained by this State as a public park, or as a preserve or sanctuary for trees, plants, wild animals, birds, or fish, without having previously obtained the consent of the owner of such land or the consent of the superintendent or custodian of such park, refuge or sanctuary.

Sec. 2. That it shall be unlawful for any person to possess, transport, carry, or convey, on any public highway, or to sell, or expose for sale in any place any holly, youpon, smilax, dogwood, red bud (Judas

tree), grey beard (fringe tree), jessamine, bluebonnets, Indian blankets (Indian paint brushes), cactus, except prickly pear, gallardias, gentiana (Texas bluebells and other varieties), gay feathers (blazing Star or Liatris), swamp azaleas, violets, mountain laurel (*Sophora secundiflora*), wild or native or evergreen or decorative trees, shrubs, vines, flowers or ferns which have been gathered, picked, cut or dug in violation of this Act.

Sec. 3. Any person who shall violate the provisions of this Act shall be deemed guilty of a misdemeanor, and upon conviction, shall be punished by a fine of not less than one dollar nor more than fifty dollars.

Sec. 4. That the provisions of this Act shall not apply to the clearance and maintenance of rights of way for State and County Highways and to those engaged in business of public utility.

Sec. 5. That as used in this Act the words "person" and "another" shall be construed to embrace any firm, partnership, corporation, association, society, or organization, as well as a natural person.

A BILL

To Be Entitled

An Act authorizing and directing the Commissioner of the General Land Office to ascertain the amount of bonus and rental money due the State of Texas as a result of the execution of oil and gas leases by owners of the soil as agents of the State under the provisions of the Relinquishment Act and to determine who owes money to the State under the provisions of said Act and defining said Act; providing that when the debtors and the amount of indebtedness are ascertained such debts shall be paid in cash, or in event the Commissioner of the General Land Office finds from the affidavit that proof submitted by the debtor that such debtor is unable to pay in cash, such debt may be settled by paying one-twentieth thereof in cash and executing an obligation payable to the State for the balance due in twenty equal annual installments with interest at four per cent per annum; providing that if an extension of time may not be granted to those unable to pay in cash, that such extensions be granted to all; providing that no lien held by the State shall be released and no liability altered or changed; providing for demand for payment and for settlement within ninety days after demand; providing that no suit shall be brought or maintained to collect money for bonus and rentals under the Relinquishment Act until debtors have had opportunity to comply with the provisions of this Act; providing that all suits for the collection of bonus and rentals must be brought within five years from the effective date of this Act; except suits on obligations given in settlement of bonus and rentals under the provision of this Act and except suits wherein it is alleged and proved that the affidavit of inability to pay is false or fraudulent;

providing that this Act shall not apply to bonus and rentals on lands that have produced or may be producing on the effective date of this Act, oil or gas in commercial quantities, or to indebtedness due the State accruing subsequent to the effective date of this Act; or for debts due for oil or gas, or for debts due for bonus and rentals where the amount has not been paid to the land owners but held in escrow or suspense; providing that the provisions of this Act shall not apply to obligations of lessees against whom suit was pending on May 22, 1933; providing that if any portion of this Act be held unconstitutional, same shall not affect remaining portions, and declaring an emergency.

Be it enacted by the Legislature of the State of Texas:

Section 1. It shall be the duty of the Commissioner of the General Land Office to ascertain and determine as soon as practicable, the amounts of bonus and rental money due the State and by whom due as a result of the execution of oil and gas leases by owners of the soil as agents of the State under the provisions of the Relinquishment Act. The term "Relinquishment Act", as used in this Act, refers to and includes Chapter 81, Printed Acts of the Second Called Session of the 36th Legislature and the amendment thereof enacted by the First Called Session of the 37th Legislature.

Sec. 2. When the Land Commissioner has ascertained and determined the amounts due the State, and by whom due, as in Section 1 of this Act provided, in every case where he finds that the lessee in an oil and gas lease executed by a land owner under the terms and conditions of the Relinquishment Act is indebted to the State under the terms and provisions of said Relinquishment Act, and in every case where the Land Commissioner finds that a lessor, who executed an oil and gas lease under the terms and provisions of the Relinquishment Act, has received bonus and rental money under such lease and has failed to remit to the State that portion of such bonus and rental money due the State under the terms of said Relinquishment Act, all such indebtedness shall be paid to the State in cash; or if

any such lessee or lessor is unable to pay said indebtedness in cash, such lessee or lessor shall file with the Land Commissioner an affidavit to the effect that such debtor is unable to pay such debt in cash. In addition to the affidavit of the debtor the Land Commissioner may require such additional affidavits or substantiating evidence as he may deem sufficient to establish the true condition of the debtor's financial condition. Upon the filing of such affidavit and additional proof, if required, and the finding of the Land Commissioner that the affidavit speaks the truth, the debtor shall pay one-twentieth ($1/20$) of the debt found to be due in cash and make and execute an obligation to the State for the balance due which obligation shall provide for the payment of the balance in twenty (20) equal annual payments, the first of which shall be due and payable one year after the date of the obligation, and a similar payment each year thereafter until the twenty (20) deferred annual payments have been made. The obligation shall be in the form of a promissory note and shall bear interest at the rate of four per cent (4%) per annum, and such interest shall be payable annually; principal and interest shall be payable at Austin, Travis County, Texas, and all past due interest and principal shall bear interest at the rate of five per cent (5%) per annum. The note shall provide that failure to pay any installment of principal or interest when due, shall, at the option of the State to be exercised by the Attorney General, mature the whole amount of said indebtedness and cause same to become then due and payable.

Sec. 3. If the courts should hold that the Legislature may not grant an extension of time in which to pay said debts to those unable to pay in cash without granting the same extension upon like terms and conditions to those who are able to pay, then and in that event, it is the intent and purpose of the Legislature in enacting this law that all debts due the State for bonus and rental money arising from the execution of any oil and gas lease under the provisions of the Relinquishment Act may be paid by the debtor executing the obligation as provided in Section 2 of this Act.

Sec. 4. Nothing in this Act shall ever be construed as releasing any lien that the State may now have to secure the indebtedness due the State after the same has been ascertained and determined and the obligation executed, nor shall the liability of any party be changed.

Sec. 5. When the amount of indebtedness mentioned in Section 1 of this Act has been ascertained and determined, the Land Commissioner shall make demand upon the debtor for the payment of the amount due, and unless the debtor pays such obligation in cash within ninety (90) days or executes his obligation in lieu thereof as provided in Section 2 within such time, the Attorney General shall take such steps as in his opinion are necessary for the immediate collection of such obligation.

Sec. 6. No suit may be instituted or maintained by the State for the collection of any debt due the State for bonus and rental money because of the execution of any oil and gas lease under the provisions of the Relinquishment Act until the Land Commissioner has ascertained the amount of such debt and the debtor has had an opportunity to make affidavit of inability to pay, as provided in this Act; and providing further that no suit may be instituted or maintained for any debt or alleged debt due the State for bonus and rental money under the Relinquishment Act, unless such suit be instituted within five (5) years from and after the date this Act becomes effective, but this limitation shall not apply to the obligation made to the State as provided in Section 2 of this Act, or to any suit for the collection of such debt where the State in its petition alleges that the affidavit of inability to pay made by the debtor is false or fraudulent, and such allegation is established to the satisfaction of the court trying said cause.

Sec. 7. The terms and provisions of this Act shall not apply to any bonus or any rental money derived from a lease on any section or part of a section of land producing oil or gas at the effective date of this Act, or that has theretofore produced oil and/or gas in commercial or paying quantities, or to any indebtedness due the State which may accrue subsequent to the date this Act becomes effective, or to any debt due the State

for bonus or rental where such amount has not been paid to the land owner, but has been placed in escrow or held in suspense by the lessee.

Sec. 8. If any section, clause, provision or sentence of this Act contained should ever be held to be unconstitutional, such holding shall not affect the remaining portions of this Act, it being the intent of the Legislature that effect shall be given to so much of this Act as may be valid, even if a portion of this Act shall be held invalid.

Sec. 9. The provisions of this Act shall not apply to the obligations of any lessee for the collection of which suit was pending in any court of the State on May 22, 1933.

Sec. 10. The fact that the State does not know the amounts due to it from transactions arising under the so-called Relinquishment Act, nor by whom such indebtedness is due, and the further fact that such indebtedness was inadvertently incurred, and because of the present economic stress and strain the debtors should be allowed time in which to pay this indebtedness, constitutes an emergency and an imperative public necessity that the Constitutional Rule that bills shall be read on three several days in each House shall be suspended, and it is hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted.

Such employees as are stationed away from their main office or headquarters, who are not allowed traveling expenses where so stationed, shall be allowed such expenses when called to their main office.

No traveling expenses shall be incurred by any employee of any of the institutions, or other agencies of the Government, outside of the boundaries of the State of Texas, and no such expenses shall be paid from State appropriations or out of any local or auxiliary funds by the State Comptroller and/or other disbursing officer or employee of any agency of the Government, until and unless a written statement, signed by the State Comptroller and the State Board of Control, authorizing in advance said trips to be made, shall first have been filed with the State Comptroller, and a signed duplicate thereof filed with the disbursing officer of such respective agency of the Government.

(23) All employees of State educational institutions, who are traveling at the expense of the State, are hereby limited to the following amounts for meals and lodging: for meals, not exceeding One Dollar and Sixty Cents (\$1.60) per day, for lodging, not exceeding Two Dollars (\$2.00) per night, it being specially provided that the employee shall obtain receipts for all amounts expended, and shall file said receipts with their expense accounts, which expense accounts must be duly itemized and sworn to; and the State Comptroller and the respective disbursing agents of said institutions are hereby expressly prohibited from paying any expense accounts which are not itemized and sworn to and accompanied by receipts as herein provided. It shall be the duty of the Board of Control of this State to furnish to all employees of the State covered in this bill, necessary receipt forms.

(24) The State Board of Control is hereby authorized and directed to purchase railroad scrip books for the use of the various institutions covered herein, to be used by them in the purchase of railroad transportation, and to charge the amount of such scrip books to the appropriations made for such departments. The head of each of the institutions covered herein shall immediately confer with, and report to, the State Board of Control, the members of their respective departments who are using as much as Seventy-two Dollars (\$72.00) or more per year for railroad transportation.

The following rules shall be observed by all State officers and employees in rendering their expense accounts before any expense account shall be paid from appropriations herein made for "Traveling Expenses":

1. There must be a concise statement of the duties performed, and the points from which the employee travels, the hours of arrival and departure from the designated post of duty and all other towns visited and the object of such visit and of the specific expenses incurred.

2. The name of hotel, restaurant, boarding, or rooming house at which meals and lodging are procured shall be given in every case.

3. Fees, as tips to waiters on dining cars, or at hotels or restaurants, shall not be approved.

(25) It is expressly provided that the provisions of this Act, with reference to traveling expenses shall not apply to the heads of the institutions named in this Act, nor to members of boards who do not receive an annual or monthly salary.

(26) No money shall be paid out of any appropriation made herein for services for a longer period than thirty (30) days, to any person who is not a citizen of the United States.

(27) Provided further, that none of the foregoing appropriations for salaries shall be paid or warrants therefor issued by the State Comptroller to any employee until the employee shall have filed with the head and/or disbursing officer of such respective school or agency an affidavit showing his or her marital status, and if married or otherwise coming within the status herein described, whether or not the spouse and/or any single children under the age of twenty-one (21) years of such employee are also employed by the State Government, and the name of the institution, school, department, appellate court, or other State agency where such spouse or child is employed, together with the name of such spouse or child; the head or disbursing officer of such school or agency, in addition to the statutory affidavit now required to be attached to all payrolls, shall also set forth in the payroll affidavit that all of his employees have

made the required affidavits, and also set forth the facts of any of said relationship employment as disclosed by said employees' affidavits, together with the name of the institution, school, department, appellate court, or other State agency where such spouse or child is employed, and if such relationship employment does not exist, then said affidavit shall so state; and the head and/or disbursing officer of the department or agency and the State Comptroller shall not approve for payment or issue warrants or checks for salaries to or for more than one of any of the above mentioned members of the same family which may now or hereafter be employed by any eleemosynary institution, department, school, appellate court, or other agency of the State Government. Affidavits of present employees shall be made by them and filed with the heads and/or disbursing officers of the schools and other agencies for which appropriations are herein made within ten (10) days before the first day of each fiscal year, and persons thereafter employed shall file such affidavits before they begin work; all of said affidavits shall be preserved by the heads and/or disbursing officers of the schools and other agencies herein for proper inspection for at least two (2) years after their dates; said employees' affidavits shall be conclusive evidence of the school or agency head's right to approve the payrolls, and the payroll affidavit of the head of the school or disbursing officer shall be conclusive evidence to the State Comptroller of his right to issue the warrants. These provisions shall also apply to local and special fund expenditures of the schools for instructional, technical and administrative services, and the employees' affidavits in such cases shall be filed with and acted thereon by the heads and/or disbursing officers of the several schools and other agencies herein. None of these provisions shall apply to employees whose above mentioned relatives may be on the State payroll or participate in State funds as district judges, district attorneys, highway maintenance laborers, domestic help in dining and boarding halls, employees on any State contracts where bids were received, and vocational or other teachers in the public free schools. In the event the Comptroller shall hold up issuance or delivery of any warrant by reason of these provisions he shall notify the agency or school affected of his action, and such warrants shall not be issued or delivered until the provisions have been complied with to the satisfaction of the State Comptroller; and in the event the head or heads and/or disbursing officers of the schools or agencies so employing said relatives, or said relatives themselves, cannot agree on which affected employee is to be retained on the State's payroll, then the State Comptroller shall issue and deliver the warrants to the affected employee who has been longer continuously employed in the State service, and refuse to issue and deliver the warrant to the other affected employee who has been continuously employed in the State's service for a shorter period of time than the other affected relative. Where such kinship exists with reference to salaries proposed to be paid entirely from local fees and institutional and special funds of the schools or agencies the head and/or disbursing officer of such schools or agency shall dispose of the matter in the same manner as the State Comptroller is hereinabove directed to dispose of such matters with reference to warrants issued by the Comptroller. Provided this paragraph shall not apply to husband and wife now engaged as teachers in any of the aforesaid institutions.

(28) Upon the failure of any executive head of an educational institution to send in the estimate as required by Article 642 of the Revised Civil Statutes of Texas, 1925, by the first day of April of each year, the Board of Control shall notify the State Comptroller of such failure, and the Comptroller shall refuse to issue any further warrants for salaries for that particular educational institution until said estimate is filed with the Board of Control.

Sec. 4. The fact that the above and foregoing is one of the regular appropriation bills to pay the salaries of officers, teachers, employees, and to pay other expenses of maintaining and conducting certain educational institutions of the State for the two (2) fiscal years beginning September 1, 1933 and ending August 31, 1935, creates a necessity for the expediting

of the passage of this appropriation bill, and, therefore, creates an emergency and imperative public necessity which demands that the rule requiring bills to be read on three several days be suspended, and this Act shall become effective from and after its passage, and it is so enacted.
